*“Leading the industry with quality products, teamwork and customer satisfaction”*

Maletis Beverage has been leading the industry with quality products, teamwork and customer satisfaction for over 73 years. This industry position is the result of your support of our products and programs that make Maletis Beverage sales and service leadership possible.

Due to dramatically increased costs from our suppliers, we will institute a draught beer price increase on selected brands effective September 1st, 2008. Please review the enclosed draught pricing information carefully for these changes.

Frontline and Promotion price changes will go into effect October 1<sup>st</sup>, 2008 on selected package brands as well.

We want you to know that we at Maletis Beverage appreciate your business and are eager to continue building our valuable relationship. Thanks for your continued support.
